1 (b) Speed camera demonstration program. 1. Notwithstanding any other
2 provision of law, the city of Albany is hereby authorized to establish a
3 demonstration program imposing monetary liability on the owner of a
4 vehicle for failure of an operator thereof to comply with posted maximum
5 speed limits in a school speed zone within the city: (i) when a school
6 speed limit is in effect as provided in paragraphs one and two of subdivi-
7 vision (c) of section eleven hundred eighty of this article; or (ii)
8 when other speed limits are in effect as provided in subdivision (b),
9 (d), (f) or (g) of section eleven hundred eighty of this article during
10 the following times: (A) on school days during school hours and one hour
11 before and one hour after the school day, and (B) a period during
12 student activities at the school and up to thirty minutes immediately
13 before and up to thirty minutes immediately after such student activ-
14 ities.

15 2. Such demonstration program shall empower the city to install speed
16 camera systems within no more than twenty school speed zones within the
17 city at any one time and to operate such systems within such zones. In
18 selecting a school speed zone in which to install and operate a speed
19 camera system, the city shall consider criteria including, but not
20 limited to the speed data, crash history, and the roadway geometry
21 applicable to such school speed zone.

22 3. No speed camera system shall be used in a school speed zone unless
23 (i) on the day such speed camera system is to be used such speed camera
24 system has successfully passed a self-test of such speed camera system's
25 functions; and (ii) such speed camera system has undergone an annual
26 calibration check performed pursuant to paragraph five of this subdivi-
27 sion. The city shall install signs giving notice that a speed camera
28 system is in use to be mounted on advance warning signs notifying motor
29 vehicle operators of such upcoming school speed zone and/or on speed
30 limit signs applicable within such school speed zone, in conformance
31 with standards established in the MUTCD.

32 4. Operators of speed camera systems shall have completed training in
33 the procedures for setting up, testing, and operating such systems. Each
34 such operator shall complete and sign a daily set-up log for each such
35 system that he or she operates that (i) states the date and time when,
36 and the location where, such speed camera system was set up such day,
37 and (ii) states that such operator successfully performed, and such
38 speed camera system passed, the self-tests of such speed camera system
39 before producing a recorded image such day. The city shall retain each
40 such daily log until the later of the date on which the speed camera
41 system to which it applies has been permanently removed from use or the
42 final resolution of all cases involving notices of liability issued
43 based on photographs, microphotographs, videotape or other recorded
44 images produced by such speed camera system.

45 5. Each speed camera system shall undergo an annual calibration check
46 performed by an independent calibration laboratory which shall issue a
47 signed certificate of calibration. The city shall keep each such annual
48 certificate of calibration on file until the final resolution of all
49 cases involving a notice of liability issued during such year which were
50 based on photographs, microphotographs, videotape or other recorded
51 images produced by such speed camera system.

52 6. (i) Such demonstration program shall utilize necessary technologies
53 to ensure, to the extent practicable, that photographs, microphoto-
54 graphs, videotape or other recorded images produced by such speed camera
55 systems shall not include images that identify the driver, the passen-
56 gers, or the contents of the vehicle. Provided, however, that no notice

1 of liability issued pursuant to this section shall be dismissed solely
2 because such a photograph, microphotograph, videotape or other recorded
3 image allows for the identification of the driver, the passengers, or
4 the contents of vehicles where the city shows that it made reasonable
5 efforts to comply with the provisions of this paragraph in such case.

6 (ii) Photographs, microphotographs, videotape or any other recorded
7 images from a speed camera system shall be for the exclusive use of the
8 city for the purpose of the adjudication of liability imposed pursuant
9 to this section and of the owner receiving a notice of liability pursu-
10 ant to this section, and shall be destroyed by the city upon the final
11 resolution of the notice of liability to which such photographs, micro-
12 photographs, videotape or other recorded images relate, or one year
13 following the date of issuance of such notice of liability, whichever is
14 later. Notwithstanding the provisions of any other law, rule or regu-
15 lation to the contrary, photographs, microphotographs, videotape or any
16 other recorded image from a speed camera system shall not be open to the
17 public, nor subject to civil or criminal process or discovery, nor used
18 by any court or administrative or adjudicatory body in any action or
19 proceeding therein except that which is necessary for the adjudication
20 of a notice of liability issued pursuant to this section, and no public
21 entity or employee, officer or agent thereof shall disclose such infor-
22 mation, except that such photographs, microphotographs, videotape or any
23 other recorded images from such systems:

24 (A) shall be available for inspection and copying and use by the motor
25 vehicle owner and operator for so long as such photographs, microphoto-
26 graphs, videotape or other recorded images are required to be maintained
27 or are maintained by such public entity, employee, officer or agent; and

28 (B) (1) shall be furnished when described in a search warrant issued
29 by a court authorized to issue such a search warrant pursuant to article
30 six hundred ninety of the criminal procedure law or a federal court
31 authorized to issue such a search warrant under federal law, where such
32 search warrant states that there is reasonable cause to believe such
33 information constitutes evidence of, or tends to demonstrate that, a
34 misdemeanor or felony offense was committed in this state or another
35 state, or that a particular person participated in the commission of a
36 misdemeanor or felony offense in this state or another state, provided,
37 however, that if such offense was against the laws of another state, the
38 court shall only issue a warrant if the conduct comprising such offense
39 would, if occurring in this state, constitute a misdemeanor or felony
40 against the laws of this state; and

41 (2) shall be furnished in response to a subpoena duces tecum signed by
42 a judge of competent jurisdiction and issued pursuant to article six
43 hundred ten of the criminal procedure law or a judge or magistrate of a
44 federal court authorized to issue such a subpoena duces tecum under
45 federal law, where the judge finds and the subpoena states that there is
46 reasonable cause to believe such information is relevant and material to
47 the prosecution, or the defense, or the investigation by an authorized
48 law enforcement official, of the alleged commission of a misdemeanor or
49 felony in this state or another state, provided, however, that if such
50 offense was against the laws of another state, such judge or magistrate
51 shall only issue such subpoena if the conduct comprising such offense
52 would, if occurring in this state, constitute a misdemeanor or felony in
53 this state; and

54 (3) may, if lawfully obtained pursuant to this clause and clause (A)
55 of this subparagraph and otherwise admissible, be used in such criminal
56 action or proceeding.

1 (c) Vehicle owner liability. 1. If the city of Albany establishes a
2 demonstration program pursuant to subdivision (b) of this section, the
3 owner of a vehicle shall be liable for a penalty imposed pursuant to
4 this section if such vehicle was used or operated with the permission of
5 the owner, express or implied, within a school speed zone in violation
6 of subdivision (b) of this section or during the times authorized pursu-
7 ant to paragraph 1 of subdivision (b), (d), (f) or (g) of section eleven
8 hundred eighty of this article, such vehicle was traveling at a speed of
9 more than ten miles per hour above the posted speed limit in effect
10 within such school speed zone, and such violation is evidenced by infor-
11 mation obtained from a speed camera system; provided however that no
12 owner of a vehicle shall be liable for a penalty imposed pursuant to
13 this section where the operator of such vehicle has been convicted of
14 the underlying violation of subdivision (b), (c), (d), (f) or (g) of
15 section eleven hundred eighty of this article.

16 2. Nothing in this section shall be construed to limit the liability
17 of an operator of a vehicle for any violation of subdivision (c) or (d)
18 of section eleven hundred eighty of this article.

19 (d) Evidence of violation. A certificate, sworn to or affirmed by a
20 technician employed by the city of Albany, or a facsimile thereof, based
21 upon inspection of photographs, microphotographs, videotape or other
22 recorded images produced by a speed camera system, shall be prima facie
23 evidence of the facts contained therein. Any photographs, microphoto-
24 graphs, videotape or other recorded images evidencing such a violation
25 shall include at least two date and time stamped images of the rear of
26 the motor vehicle that include the same stationary object near the motor
27 vehicle and shall be available for inspection reasonably in advance of
28 and at any proceeding to adjudicate the liability for such violation
29 pursuant to this section.

30 (e) Fines for violations. An owner liable for a violation of subdivi-
31 sion (b), (c), (d), (f) or (g) of section eleven hundred eighty of this
32 article pursuant to a demonstration program established pursuant to this
33 section shall be liable for monetary penalties in accordance with a
34 schedule of fines and penalties to be promulgated by the parking
35 violations bureau of the city of Albany. The liability of the owner
36 pursuant to this section shall not exceed fifty dollars for each
37 violation; provided, however, that such parking violations bureau may
38 provide for an additional penalty not in excess of twenty-five dollars
39 for each violation for the failure to respond to a notice of liability
40 within the prescribed time period.

41 (f) Record and insurance. An imposition of liability under the demon-
42 stration program established pursuant to this section shall not be
43 deemed a conviction as an operator and shall not be made part of the
44 operating record of the person upon whom such liability is imposed nor
45 shall it be used for insurance purposes in the provision of motor vehi-
46 cle insurance coverage.

47 (g) Procedure for enforcement. 1. A notice of liability shall be sent
48 by first class mail to each person alleged to be liable as an owner for
49 a violation of subdivision (b), (c), (d), (f) or (g) of section eleven
50 hundred eighty of this article pursuant to this section, within fourteen
51 business days if such owner is a resident of this state and within
52 forty-five business days if such owner is a non-resident of this state.
53 Personal delivery on the owner shall not be required. A manual or auto-
54 matic record of mailing prepared in the ordinary course of business
55 shall be prima facie evidence of the facts contained therein.

1 2. A notice of liability shall contain the name and address of the
2 person alleged to be liable as an owner for a violation of subdivision
3 (b), (c), (d), (f) or (g) of section eleven hundred eighty of this arti-
4 cle pursuant to this section, the registration number of the vehicle
5 involved in such violation, the location where such violation took
6 place, the date and time of such violation, the identification number of
7 the camera which recorded the violation or other document locator
8 number, at least two date and time stamped images of the rear of the
9 motor vehicle that include the same stationary object near the motor
10 vehicle, and the certificate charging the liability.

11 3. The notice of liability shall contain information advising the
12 person charged of the manner and the time in which he or she may contest
13 the liability alleged in the notice. Such notice of liability shall also
14 contain a prominent warning to advise the person charged that failure to
15 contest in the manner and time provided shall be deemed an admission of
16 liability and that a default judgment may be entered thereon.

17 4. The notice of liability shall be prepared and mailed by the city of
18 Albany, or by any other entity authorized by the city to prepare and
19 mail such notice of liability.

20 5. Adjudication of the liability imposed upon owners of this section
21 shall be by the city of Albany parking violations bureau.

22 (h) Defenses. 1. If an owner receives a notice of liability pursuant
23 to this section for any time period during which the vehicle or the
24 number plate or plates of such vehicle was reported to the police
25 department as having been stolen, it shall be a valid defense to an
26 allegation of liability for a violation of subdivision (b), (c), (d),
27 (f) or (g) of section eleven hundred eighty of this article pursuant to
28 this section that the vehicle or the number plate or plates of such
29 vehicle had been reported to the police as stolen prior to the time the
30 violation occurred and had not been recovered by such time. For purposes
31 of asserting the defense provided by this subdivision, it shall be
32 sufficient that a certified copy of the police report on the stolen
33 vehicle or number plate or plates of such vehicle be sent by first class
34 mail to the city of Albany parking violations bureau or by any other
35 entity authorized by the city to prepare and mail such notice of liabil-
36 ity.

37 2. It shall be a defense to any prosecution for a violation of subdi-
38 vision (b), (c), (d), (f) or (g) of section eleven hundred eighty of
39 this article pursuant to this section that such speed camera system was
40 malfunctioning at the time of the alleged violation.

41 (i) Leased vehicles. 1. An owner who is a lessor of a vehicle to which
42 a notice of liability was issued pursuant to subdivision (g) of this
43 section shall not be liable for the violation of subdivision (b), (c),
44 (d), (f) or (g) of section eleven hundred eighty of this article pursu-
45 ant to this section, provided that:

46 (i) prior to the violation, the lessor has filed with such parking
47 violations bureau in accordance with the provisions of section two
48 hundred thirty-nine of this chapter; and

49 (ii) within thirty-seven days after receiving notice from such divi-
50 sion of the date and time of a liability, together with the other infor-
51 mation contained in the original notice of liability, the lessor submits
52 to such division the correct name and address of the lessee of the vehi-
53 cle identified in the notice of liability at the time of such violation,
54 together with such other additional information contained in the rental,
55 lease or other contract document, as may be reasonably required by such

1 division pursuant to regulations that may be promulgated for such
2 purpose.

3 2. Failure to comply with subparagraph (ii) of paragraph one of this
4 subdivision shall render the owner liable for the penalty prescribed in
5 this section.

6 3. Where the lessor complies with the provisions of paragraph one of
7 this subdivision, the lessee of such vehicle on the date of such
8 violation shall be deemed to be the owner of such vehicle for purposes
9 of this section, shall be subject to liability for such violation pursu-
10 ant to this section and shall be sent a notice of liability pursuant to
11 this subdivision.

12 (j) Indemnification. 1. If the owner liable for a violation of subdi-
13 vision (c) or (d) of section eleven hundred eighty of this article
14 pursuant to this section was not the operator of the vehicle at the time
15 of the violation, the owner may maintain an action for indemnification
16 against the operator.

17 2. Notwithstanding any other provision of this section, no owner of a
18 vehicle shall be subject to a monetary fine imposed pursuant to this
19 section if the operator of such vehicle was operating such vehicle with-
20 out the consent of the owner at the time such operator operated such
21 vehicle in violation of subdivision (b), (c), (d), (f) or (g) of section
22 eleven hundred eighty of this article. For purposes of this subdivision
23 there shall be a presumption that the operator of such vehicle was oper-
24 ating such vehicle with the consent of the owner at the time such opera-
25 tor operated such vehicle in violation of subdivision (b), (c), (d), (f)
26 or (g) of section eleven hundred eighty of this article.

27 (k) Study and report. If the city adopts a demonstration program
28 pursuant to subdivision (b) of this section it shall conduct a study and
